 - b. press the “magnifying”- icon.

The screenshot shows the University of New Hampshire Company Portal interface. The top navigation bar is dark blue with the university logo and name. A left-hand navigation menu is visible, with a search field at the top containing the text "sentry". A magnifying glass icon is to the right of the search field. Below the search field, the menu items are: Home, Apps, App categories, Downloads & updates, Devices, and Help & support. Two red arrows point to the search field: arrow 'a.' points to the text "sentry" and arrow 'b.' points to the magnifying glass icon. The main content area displays "Featured apps" and "Recently published apps".
